

*SUCCESS FOR ALL OF US*

This leaflet is about our vision,  
our values and our smarts.

**Our Vision**  
**Our Values**  
**Our Smarts**

By Maisie Anthony

## Our Vision

Our vision is '*Success For All Of Us*' because we want all the Teachers, Adults and Children to be successful .

## Values – H.E.A.R.T

Our values spell out the word HEART.

We have written the values below, these values will help to make sure that we are all successful.

### H – Happiness

H is for happiness. It is important that we make sure that Glenlivet School is a happy place to play, work and learn.

### E - Education

E is for education. Everybody has the right to an education and we must work as hard as we can to learn as much as we can and achieve our very best.

### A – Achievement

A is for achievement. It is important that we celebrate everybody's achievements and make us want to achieve even more. It will make everyone feel proud about their work.

### R – Responsible

R is for Responsible. It is important that everyone who is part of the school is very responsible. This will mean that we are always very Self and People Smart. We need to be responsible to be successful.

### T- Trust

T is for Trust. It is important that we trust each other and we are able to help each other, this will help us to be successful and work together as a team.

## Smarts

At Glenlivet Primary we have nine different Smarts, they are based on Howard Gardner's theory of Multiple Intelligences. He thought that everybody could be intelligent in different ways. We try to be Smart in lots of different areas.

The nine Smarts are:

- **Self Smart** is being organised and looking after yourself for example brushing your teeth and knowing where all of your belongings are.

- **People Smart** is looking after each other, making new friends and respecting other people.

- **Thinking Smart** is thinking hard about your work and solving problems.

- **Number Smart** is thinking hard and using different strategies in Maths to get the right answer.

- **Word Smart** is working hard during reading, writing and handwriting. For example, to be word smart you need good letter formation and spell everything correctly.

- **Body Smart** is being healthy and keep fit.

- **Nature Smart** is looking after the world and learning about plants and wildlife.

- **Art Smart** is being creative.

- **Music Smart** is getting better at playing instruments and improve your singing.

When we achieve a 'smart' we get a stamp inside our learning logs.
